

Little Angels Academy

Policy on Parental Notification

Little Angels Academy and its staff are permitted to use the following forms of electronic / social media: Parish Website, Center Facebook, Email, Class Dojo and Text Messaging according to the following guidelines:

1. Little Angels Academy Administration and Faculty will contact parents and emergency contacts with information regarding any illness and/or injuries utilizing the phone numbers provided on the Parental Authorization for Emergency Treatment form or the school enrollment registration form.
2. Parents must ensure that phone numbers and contact information are provided to the school and remain current.
3. Parents will ensure that the school is notified if any changes are made to the primary contact information and emergency contacts.
4. The Center may also communicate other non-emergent information electronically to parents: behavioral concerns; child's daily updates; community information; emergency closures; photographs; unusual or safety incidents.
